

CENTRAL WISCONSIN MULTIPLE LISTING SERVICE, INC.

Bylaws

Article 1 – Name

The name of this organization shall be the Central Wisconsin Multiple Listing Service of the Central Wisconsin Board of REALTORS, Inc., hereinafter referred to as the Service, all the shares of stock of which are solely and wholly-owned by the Central Wisconsin Board of REALTORS.

Article 2 – Purposes

A Multiple Listing Service is a means by which authorized Participants make blanket unilateral offers of compensation to other Participants (acting as subagents, buyer agents, or in other agency or nonagency capacities defined by law); by which cooperation among participants is enhanced; information is accumulated and disseminated to enable authorized Participants to prepare appraisals, analysis, and other valuations of real property for bona fide clients and customers; by which Participants engaging in real estate appraisal contribute to common databases; and is a facility for the orderly correlation and dissemination of listing information participants may better serve their clients and the public. Entitlement to compensation is determined by the cooperating broker's performance as procuring cause of the sale (or lease).

Article 3 - Service Area

The area within which the Service shall function shall at all times be coextensive with or within the territorial jurisdiction of the Central Wisconsin Board of REALTORS.

Article 4 - Participation

Participation: Any REALTOR® of this or any other Board who is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal, without further qualification, except as otherwise stipulated in these bylaws, shall be eligible to participate in Multiple Listing upon agreeing in writing to conform to the rules and regulations thereof and to pay the costs incidental thereto.* However, under no circumstances is any individual or firm, regardless of membership status, entitled to Multiple Listing Service “membership” or “participation” unless they hold a current, valid real estate broker’s license and offer or accept compensation to and from other Participants or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property.** Use of information developed by or published by a Board Multiple Listing Service is strictly limited to the activities authorized under a Participant’s licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey “participation” or “membership” or any right of access to information developed by or published by a Board Multiple Listing Service where access to such information is prohibited by law. (Amended 11/08)

The REALTOR® principal of any firm, partnership, corporation, or the branch office manager designated by said firm, partnership, or corporation as the participant shall have all rights, benefits, and privileges of the service, and shall accept all obligations to the service for the participant’s firm, partnership, or corporation, and for compliance with the bylaws and rules and regulations of the service by all persons affiliated with the participant who utilize the service.

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm offers or accepts cooperation and compensation means that the participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. "Actively" means on a continual and ongoing basis during the operation of the participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a participant or potential participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a participant or potential participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the participant or potential participant as long as the level of service satisfies state law. (Adopted 11/08)

The key is that the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a participant or potential participant that operates a "Virtual Office Website" (VOW) (including a VOW that the participant uses to refer customers to other participants) if the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a participant or potential participant actively endeavors during the operation of its real estate business to offer or accept cooperation and compensation only if the MLS has a reasonable basis to believe that the participant or potential participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all participants and potential participants. (Adopted 11/08)

The Board of Directors shall not incur an obligation in excess of \$2500.00 over the total budget without the authorization by vote of a majority of the Directors of the Central Wisconsin Board of REALTORS, present and voting unless such excess is the result of an increase in the volume of listings processed by the Service over that projected in preparing the annual budget.
